For President in 1912, WILLIAM HOWARD TAFT of Ohio.

For Governor of Kentucky in 1911, Lieutenant Governor WILLIAM H. COX of Maysoilin.

According to some recent decisions of the Court of Appeals a drunken man does not seem to have many rights that the railroads

**Drunken Passengers Have No Right** on Trains.

are bound to respect. An intoxicated man fell from a train in Western Kentucky a few months ago. A damage suit followed, with the result that the

Lower Court mulcted the railroad company for several thousand dollars. The Court of Appeals reversed the verdict because of the mau's inebriated condition.

In Northeastern Kentucky a citizen heavily laden with a cargo of booze bought a ticket from one station to another. When he attempted to get on board the train the Conductor said: "Nay, nay, Pauline," or words to that effect. - Later he sneaked on board the smoker while the Conductor wasn't looking. After the cars were under way he became boisterous. The Conductor stopped the train and gently but firmly assisted his naruly and unwelcome passenger to a soft spot on the right of way. Then the bell rang, the whistle blew and No. 37 sped around the curve and out of sight, leaving the bo-ze-hampered individual to wonder whether he was traveling or going somewhere.

In the abstract of the Court's decision it is not stated whether he spent the night on a pile of crossties or in negotiating the distance which separated him from the family residence. At

any rate, he sued the railroad shortly afterward for damages "for all proper relief" for the physical inconvenience, mental anguish, humiliation, consternation and loss of sleep and booze. The Lower Court thought he was entitled to \$200. The Appellate Court reversed the verdict, holding that persons who are intoxicated are not in a proper condition to be received on a train and may be refused admittance; holding also that the intoxicated man when he got on board the smoking coach after being refused admittance was a tres pa -- er.

These decisions may strike some people as having a tendency to work hardships in some instauces, which, perhaps, is true. The Court, doubtless, in adjudicating the deserts of intoxicated passengers also had in mind the rights of the larger class of the traveling public which is wont to ride trains soberly and in its right mind.—Courier-Journal.

It has been ninety-nine years since the capital of Ohio was removed from Chillicothe to Columbus.

Ir will be worth noticing now the schemes which the big railroad magnates will hatch up in order to overcome the adverse decision of the Interstate Commerce Commission preventing them from advancing rates. It's mighty hard to get ahead of a railroad, and the bigger the road the harder it is.

It is said that bucker-shop gambling has been almost totally eradicated by the Government. Another case of locking the stable door after the horse is stolen. The sum that has been lost, or rather stolen, by the bucketshops in the United States is so vast that it runs into the billions of dollars. Maysville alone must have sunk at least a million dollar in this bottomless pit of dishonest speculation.

ALMOST IMPOSSIBLE.

"I hear your mother-in-law died recently."

#### WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience -a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that se distasteful examinations are generally need-

less, and that no woman, except in rare cases, should submit to them. Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its owtside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't tribe with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.

#### Dangerous

The snow on roofs of houses, hardened into half ice, has been a menace to pedestrians passing along the sidewalks during the past week, and that some one has not been seriously injured by the frozen substance sliding off the eaves of houses and falling on them has been in the nature of a miracle. Yestsrday afternoon a perfect avalanche fell from Cox Buildng and landed on top of Cablish Bros. delivery wagon standing in front of the store at the time. The horse atached to the vehicle became frightened and started on a dead run, but was aught before he had gone very far. It was fortunate no one was passing t the time, else they would surely

State Treasurer Edwin P. Farley will mail to the County Superintendents the first of the month checks amounting to \$410,000, which will be paid to the rural school teachers. Heretofore this payment has not been made to the teachers until in June, but Captain Farley said that the money wadue the teachers, and that if it was no paid the teachers would have to dis count their claims, thereby losing between \$40,000 and \$50,000.

#### A CORROBORATION

#### OF INTEREST TO MAYSVILLE READERS

For months Maysville citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Maysville residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of indorsemen ? No stronger proof of merit can be had than curemind of every Maysville reader:

M. C. Chisholm, 317 East Second street, Maysville, Ky., states:

"The cure Doan's Kidney Pills effected in my case some years ago has been permanent, and the public testimonial I then gave in their praise still holds good. I was bothered a great deal by too frequent passages of the kidney se-Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had taken them only a short time before I noticed a marked improvement. They soon cured me, and I have since learned of several other cases where Doan's Kidney Pills have been used with good results.

Microbes Cause Baldness

Professor Unna of Hamburg, Germany, and first time in twenty years. Dr. Sabourand, the leading French dermatologist, discovered that a microbe causes baldness. Their theory has time and again been amply verified through research experiments carried on under the observation of eminent scientists. This microbe lodges in the Sebum, which is

the natural hair oil, and when permitted to flourish it destroys the bair follicles and in time the pores entirely close, and the scalp clared that shortage in business made it gradually takes on a shiny appearance. When necessary. this happens there is no hope of the growth of hair being revived.

I have a remedy which will, I honestly believe, remove dandruff, exterminate the microbes, promote good circulation in the scalp and around the hair roots, tighten and revitalize the hair roots and overcome baldness, so ong as there is any life left in the hair roots.

I back up this statement with my own persoral guarantee that this remedy called Rexall Bring 93" Hair Tonic will be supplied free of all cost to the user if it fails to do as I state.

It will frequently restore gray and faded hair to its original color, providing loss of color has been caused by disease; yet it is in no sense a dye. Rexall "93" Hair Tonic accomplishes these results by making every hair root, follicle and pigment gland strong and active, and by stimulating a natural flow of coloring pigment throughout the

I exact no obligations or promises-I simply ask you to give Rexall "93" Hair Tonic a thorough trial and if not satisfied tell me and I will refund the money you paid me for it. Two sizes, prices 50 cents and \$1.00. Remember you can obtain it in Maysville only at my store-The Rexall Store. Thos. J. Chenoweth, Second and Sutton streets.

#### HOW OLD PEOPLE

#### May Prolong Their Lives.

At an advanced age waste is more rapid than repair. The organs act more slowly and less effectually than in youth. The circulation is poor-the blood thin and watery-the appetite poor and digestion weak.

We want to say to every aged person in this vicinity that Vinol, our delicious cod liver and iron tonic (without oil) will prolong life. It creates an appetite, aids digestion and makes good blood. In this natural manner Vinol retards waste and replaces weakness with strength, giving new life to the worn system. If people in this vicinity only realized how Vinol invigorates old people we would not be able to supply the demand.

Try a bottle of Vinol with the understanding that your money will be returned if it does
